Dear Chair Forese and Commissioners,

I feel that APS has not made it clear as to why they need to increase their rates and this has brought me to write to you today. Without a justifiable cause for this rate increase how can they have the audacity to ask you to allow them to do so?

Small business owners are a driving force in our state. We look to you to help keep us strong and allow us to grow. The increase that APS is seeking can only hurt small businesses, citizens in Arizona and our state's economy.

Please vote no on these unfair utility charges.

Thank you,

  
Giovanni Barajas
